To Creditors and Parties on the current
Special Mailing Matrix

In accordance with the Notice of Change of Procedure and Opportunity to be Heard dated May 14, 1999, and no one having filed an objection, please be advised that effective October 1, 1999, case-specific mailing matrices will no longer be updated by the Clerk's Office to add a separate address requested by your organization through a blanket request for service of bankruptcy notices.

The Clerk's Office will maintain a single Creditor Register for the U.S. Bankruptcy Court, Western District of New York. The Creditor Register is designed to provide a source where debtors, their attorneys, and other parties may go to determine whether a party has filed a statement designating a mailing address for notice purposes. By using the address in the register, the sender is assured the mailing address is proper. Please review and update the information on the enclosed form of this notice to designate your correct mailing address for inclusion on this register. You may also include information that would enable a user of this register to determine the circumstances when each address is applicable. This Creditor Register will be posted to the U.S. Bankruptcy Court web-site and made available to the public in the Clerk's Office in Buffalo and Rochester. The clerk shall update the register annually, effective January 2 of each year.

Although it is important for the register to be kept current, debtors, their attorneys and other parties should be able to rely on mailing addresses listed in the register without the need to continuously inquire as to new or amended address. Therefore, the register will be updated but only once each year.

The mailing addresses in the Creditor Register are conclusively presumed to be proper addresses, but the failure to use a mailing address does not invalidate any notice that is otherwise effective under applicable law.

Thank you for your assistance in this regard.

Very truly yours,

Michelle A. Pierce
Acting Clerk
